

Call for Research Papers and Articles

International Journal of Behavioral Science

Behavioral Science Research Institute (BSRI), Srinakharinwirot University, Bangkok invites submission of research papers, research articles and book reviews in English in any field of applied behavioral science research for the publication in the International Journal of Behavioral Science (IJBS). From 2014, IJBS would publish two issues per year: in January and in July.

January Issue-Submission deadline is September 30th

July Issue-Submission deadline is March 31st

Guidelines for Research Paper/Research Article

- The research paper/article should be based on the APA format (6th edition).
- The paper should not exceed 10-15 pages in length.
- Typed in English on standard A4 size paper (8.5" x 11").
- Double spaced with 1 inch margins on all sides.
- Use a font of 12 pt. Times New Roman.
- All submissions should be in Microsoft Word documents.
- Major sections of the paper should include: an abstract, keywords, introduction, methods, results, discussion, conclusions and references.

Guidelines for Abstract

The abstract must be between 150- 200 words in length and must be typed in English using the following format:

- double spaced
- 1 inch margins on all sides
- Font – 12 pt. Times New Roman
- Keywords must be mentioned

Format of the Paper/ Article

1. The first line (title) should be 14 pt. Times New Roman and bold.
2. The second line indicates the researcher's name(s) with a font of 12 pt. Times New Roman. (*Do not write your job title in the front of the researcher's name(s)*)
3. The third line indicates affiliations/institutions. If more than one, please add superscript numbers before the affiliations/institutions names and also add the superscript behind the corresponding researcher(s) name in the line above.
4. Leave one blank line, and then indent the start of the first paragraph of the abstract, which covers all processes used while conducting the research including the duration of the research and data collection, the main findings and the conclusions.
5. Leave one blank line, then type "Keywords" and list the keywords related to the research.
6. Each section of the paper must be labeled and headings given according to the APA style.
7. For complete information about the APA style (6th edition), visit the official website www.apastyle.org/

Submission
